(c) I-C, II-D, III-V, IV-B
(d) I-E, II-C, III-A, IV-D

Ans. (a) : The correct match for the List-I and List-II is:

Ernesto Zedillo	–	Mexico
Alberto Fujimori	–	Peru
Julio Maria Sanguinetti	–	Uruguay
Fernando H. Cardoso	–	Brazil

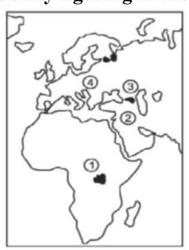

46. The palaeomagnetic results obtained from India indicate that in the past, the Indian land mass has moved:
(a) Northward (b) Southward
(c) Eastward (d) Westward

Ans. (a) : The palaeomagnetic results obtained from India indicate that in the past, the Indian land mass has moved in north direction with average speed of 12 cm/year after sepration from Gondwanaland. The continental plate move with a average speed of 2 cm/year ad oceanic plates moves with a average speed of 5 cm/year.

47. Willy-Willy is:
(a) A type of tree grown in temperate regions
(b) A wind that blows in a desert
(c) A tropical cyclone of the north-west Australia
(d) A kind of common fish found near Lakshadweep islands

Ans. (c) : Willy-Willies is a severe tropical cyclone or a whirlwind that take place over a desert. Harmless Australian dust devils, vertical coloumn of air that kick up a lot of dust and create a strong whirlwind over desert areas are an example of Willy-Willies.
Hurricane is a name of cyclone in America, Typhoon is a name of cyclone in China and Japan.

48. Consider the map given below indicating four places frequently figuring in the news:

Which one of them is Chechanya?
Choose the correct answer from the codes given below:
(a) 1 (b) 2
(c) 3 (d) 4

Ans. (c) : The correct location for Chechanya in the map is shown by point 3.

Chechanya is the Southern Federal district of Russia. Politically it has the status of an autonomus republic. Its capital is 'Grozny'.

49. In which one of the following crops international trade is low in the context of total produce?
(a) Rice (b) Coffee
(c) Rubber (d) Wheat

Ans. (a) : In 1995, the rice production was highest in India among cereals but its quality of rice cannot compete with other rice producing countries. Most of the rice produced in India was meant for internal consumption. India is major producer and exporter of Basmati Rice.
As per 2021, rice occupy the major share in India's total cereal export with 87.6% during the same period.

50. The Indian subcontinent was originally part of a huge land mass called:
(a) Jurassic Land Mass
(b) Aryavarta
(c) Indiana
(d) Gondwana Continent

Ans. (d) : Originally the India subcontinent was a part of a huge land mass called Gondwana. India is a subcontinent located in South of Asian continent. It is considered a subcontinent because it covers an expansive area of land that includes the Himalaya region in the north, the gangetic plain as well as the plateau region in the South.

INDIAN CONSTITUITON AND POLITY

51. Which one of the following is correct in respect of the commencement of the election process in India ?
(a) The recommendation for election is made by the government and the notification for election is issued by the Election Commission
(b) The recommendation for election is made by the Election Commission and the notification for election is issued by the Home Ministry at the Centre and Home Departments in the States
(c) The recommendation for election is made by the Election Commission and the notification for election is issued by the President and Governors of the States concerned
(d) Both the exercises of making a recommendation for election and that of issuing a notification in respect of it are done by the Election Commission

Ans. (c) : As per People Representation Act, 1951 the recommendation for election is made by the election commission and the notification for election is issued by the president and the Governors of the states concerned.

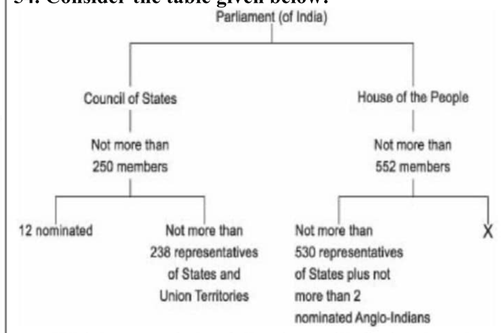

52. Which of the following is/are extra-constitutional and extra-legal device(s) for securing cooperation and coordination between the States in India?
I. The National Development Council
II. The Governors' Conference
III. Zonal Councils
IV. The Inter-State Council.
Choose the correct answer from the codes given below:
Codes:
(a) I, II and III (b) I, III and IV
(c) III and IV (d) IV only

Ans. (a) : National Development Counil is an extra constutitional body established by the Government of India in 1952. Prime Minister of India is the ex-officio chairman of the council. It prescribes guidelines for the formulation of national plans, assesses resource and five year plans and also recommends social and economic measure to increase development. The Governor's conference is an extra constitutional body, headed by president of India as its chairman. Its aim is to secure cooperation and coordination among the state as of India.
Zonal councils were established by the state Reorganisation Act, 1956 to advise on matters of common interest to each of five zone in which India is divided. Presently there are six zonal council.
The Interstate council is a constitutional body established under article 263 of Indian constitution. The sole purpose of interstate council is to facilitate the cooperation and coordination between states and the centre.
Thus I, II, III are extra-constitutional and extra legal device, whereas IV (Interstate council) is constitutional device.

53. Which of the following are matters on which a constitutional amendment is possible only with the ratification of the legislatures of not less than one-half of the States?
I. Election of the President
II. Representation of States in Parliament
III. Any of the Lists in the 7th Schedule
IV. Abolition of the Legislative Council of a State
Choose the correct answer from the codes given below:
Codes:
(a) I, II and III (b) I, II and IV
(c) I, III and IV (d) II, III and IV

Ans. (a) : Article 368 in Part XX of the constitution deals with the provision of amendment of the constitution and its procedure.
Under Article 368(2) in the constitution of India, states that an amendment of this constitution may be initiated only by the introduction of a Bill for the purpose in either house of parliament and when the bill is passed in majority of the total membership of that house present and voting.
The ratification by state legislature of not less than one half of the states by resolution to that effect passed by those legislature before the bill making provision for such amendment is presented to the President for assent.
The provisions are related to:
Article 54, Article 55, Article 73, Article 162.
Chapter IV of part V, Chapter V of Part VI, or Chapter I of part XI.
Any of the lists in the seventh schedule
The representation of states in parliament.
Thus option (a), statement I, II and III are correct.

54. Consider the table given below:

Which one of the following will fit in the place marked 'X'?
(a) Ministers who are not Members of Parliament but who have to get themselves elected to either House of Parliament within six months after assuming office.
(b) Not more than 20 nominated members
(c) Not more than 20 representatives of Union Territories
(d) The Attorney-General who has the right to speak and take part in the proceedings of either House of Parliament

Ans. (c) : Article 81 of the constitution defines the composition of the house of the people of Lok Sabha. It states that the house shall not consist of more than 550 elected members of whom not more than 20 will represent Union Territories. At present the strength of the Lok Sabha is 543, of which 530 have been allocated to the states and the rest to Union Territories.
Thus option (c), not more than 20 repreentatives of Uuion Territories will fit in the place marked 'x'.

55. Who among the following have the right to vote in the elections to both Lok Sabha and Rajya Sabha?
(a) Elected members of the Lower House of the Parliament
(b) Elected members of the Upper House of the Parliament
(c) Elected members of the Upper House of the State Legislature
(d) Elected members of the Lower House of the State Legislature
