Ans : (d) Reporting on Cyber Security incidents in India is legally mandatory for the service providers, data centers and corporate bodies. It is noteworthy that extensive provisions have been made for this in the Information Technology Rule, 2013 released in India.

80. What is the importance of developing Chabahar Port by India?

(a) India's Trade with African countries will enormously increase.
(b) India's relations with oil-producing Arab countries will be strengthened.
(c) India will not depend on Pakistan for access to Afghanistan and Central Asia.
(d) Pakistan will facilitate and protect the installation of a gas pipeline between Iraq and India.

Ans : (c) The port of Chabahar is located in South Eastern Iran in the Gulf of Oman. It is the only Iranian port with direct access to the Ocean. India will develop and operate the Chabahar port, No other international port has seen the level of involvement and enthusiasm from Chabahar as India. The port will make way for India to bypass Pakistan in transporting goods to Afghanistan using a sea-land route. At present Pakistan does not allow India to transport through its territory to Afghanistan. It has however recently allowed some Afghan shipments to come to India.

81. With reference to 'National Skills Qualification Framework (NSQF)'. which of the statements given below is/are correct?

l. Under NSQF, a learner can acquire the certification for competency only through formal learning.
2. An outcome expected from the implementation of NSQF is the mobility between vocational and general education.

Select the correct answer using the code given below:

(a) 1 only (b) 2 only
(c) Both 1 and 2 (d) Neither 1 nor 2

Ans : (b) National Skills Qualification Framework (NSQF), a quality assurance framework which organizes qualifications according to services of levels of knowledge, skills and aptitude. These levels are defined in terms of learning outcomes which the learner must possess regardless of whether they were acquired through formal, non-formal or informal learning. So Statement 1 is incorrect.
NSQF will also facilitate Recognition of Prior Learning (RPL) that is largely lacking in the present education and training scenario. Additionally, it would help alignment of Indian qualifications to international qualifications. It also provides mobility between vocational and general education by alignment of degrees with NSQF, statement 2 is correct.

82. Consider the following in respect of 'National Career Service':

1. National Career Service in an initiative of the Department of Personnel and Training, Government of India.
2. National Career Service has been launched in a Mission Mode to improve the employment opportunities to uneducated youth of the country.

Which of the above statements is/are correct?

(a) 1 only (b) 2 only
(c) Both 1 and 2 (d) Neither 1 nor 2

Ans : (d) Statement 1 : It is an initiative launched by the Ministry of Labour and Employment. Statement 2 : It is a National ICT based portal developed primarily to connect the opportunities with the aspirations of youth. This portal facilitates the registration of job seekers, Job providers, skill providers, career counselors etc.

83. Which of the following statements best describes the term 'Scheme for Sustainable Structuring of Stressed Assets (S4A)', recently seen in the news?

(a) It is a procedure for considering ecological costs of developmental schemes formulated by the Government.
(b) It is a scheme of RBI for reworking the financial structure of big corporate entities facing genuine difficulties.
(c) It is a disinvestment plan of the Government regarding Central Public Sector Undertakings.
(d) It is an important provision in 'The Insolvency and Bankruptcy Code' recently implemented by the Government.

Ans : (b) The RBI's Scheme for Sustainable Structuring of Stressed Assets (S4A) allows bank to separate the total debt of a stressed company into two. While the company will service the sustainable part of debt, the rest is converted into equity.
The lenders are required to make this classification. Sustainable level of debt is one which the banks think the stressed borrower can service with its current cash flows.

84. Consider the following statements:
The nation–wide 'Soil Health Card Scheme' aims at

1. expanding the cultivable area under irrigation.
2. enabling the banks to assess the quantum of loans to be granted to farmers on the basis soil quality.
3. checking the overuse of fertilizers in farmlands.

Which of the above statements is/are correct?

(a) 1 and 2 only (b) 3 only
(c) 2 and 3 only (d) 1, 2 and 3

Ans : (b) Launched by the central government in February 2015, the schemes is tailor- made to issue 'Soil Card' to farmers which will carry crop wise recommendations of nutrients and fertilizers required for the individual farms. This is aimed to help farmers to improve productivity through judicious use of inputs. Thus only statement 3 is correct.

85. 'Recognition of Prior Learning Scheme' is sometimes mentioned in the news with reference to

(a) Certifying the skills acquired by construction workers through traditional channels.
(b) Enrolling the persons in Universities for distance learning programmes.
(c) Reserving some skilled jobs to rural and urban poor in some public sector undertakings.
(d) Certifying 'the skills acquired by trainees under the National Skill Development Programme.

Ans : (a) The Recognition of Prior Learning (RPL) is an assessment of the skills acquired by the individual through experience, observation and self learning. The assessment which is followed by a certification gives an edge to an otherwise informal worker. It provides the employee with the confidence of social recognition and empowerment that are necessary to negotiate his future employment. Following successful assessment, a candidate is given a financial reward in addition to certification.

86. Which of the following statements is/are correct regarding Smart India Hackathon 2017?

1. It is a centrally sponsored scheme for developing every city of our country into Smart Cities in a decade.
2. It is an initiative to identity new digital technology innovations for solving the many problems faced by our country.
3. It is a programme aimed at making all the financial transactions in our country completely digital in a decade.

Select the correct answer using the code given below:

(a) 1 and 3 only (b) 2 only
(c) 3 only (d) 2 and 3 only

Ans : (b) Smart India Hackathan 2017 was 36 hours non-stop digital product development competition during which teams of thousands of technology students had built innovative digital platforms posted by 29 different central governments e.g. Ministry of Railways, Ministry of External Affairs, Ministry of Defense, ISRO, Ministry of Tourism, Dept. of Atomic Energy etc.

87. Which of the following are the objectives of 'National Nutrition Mission'?

1. To create awareness relating to malnutrition among pregnant women and lactating mothers.
2. To reduce the incidence of anaemia among young children, adolescent girls and women.
3. To promote the consumption of millets, coarse, cereals and unpolished rice.
4. To promote the consumption of poultry eggs.

Select the correct answer using the code given below:

(a) 1 and 2 only (b) 1, 2 and 3 only
(c) 1, 2 and 4 only (d) 3 and 4 only

Ans : (a) National Nutrition Mission has two components as follows:
(i) Information, Education and Communication (IEC) campaign against malnutrition.
(ii). Multi-Sectoral Nutrition Programme.
The key objective of the Programme- To create awareness relating to malnutrition amongst pregnant women, lactating mothers, promote healthy lactating practices and importance of balanced Nutrition.

- To improve maternal and child under nutrition in 200 high burdened districts and to prevent and reduce the under nutrition prevalent among children below 3 years.
- To reduce incidence of anaemia among young children, adolescent girls and women.

Statement 3 and 4 are wrong because there is no mention of eggs or unpolished rice or millets in the programme.

88. Consider the following statements:

1. The Nuclear Security Summits are periodically held under the aegis of the United Nations.
2. The International Panel on Fissile Materials is an organ of International Atomic Energy Agency.

Which of the statements given above is/are correct?

(a) 1 only (b) 2 only
(c) Both 1 and 2 (d) Neither 1 nor 2

Ans : (d) The first Summit was held in Washington DC, United states, on April 12-13,2010. US President Barack Obama hosted the first Nuclear Security Summit (NSS) in order to draw attention at the highest possible level to the need to secure nuclear material and thus prevent nuclear terrorism. The International Panel on Fissile Materials (IPFM), established in 2006, is a group of independent nuclear experts from 18 countries (not by IAEA). It aims to advance international initiatives to Secure and to sharply reduce all stocks of highly enriched Uranium and Separated Plutonium, the key materials in nuclear weapons and to limit any further production.

89. Who among the following can join the National Pension System (NPS)?

(a) Resident Indian citizens only
(b) Persons of age from 21 to 55 only
(c) All State Government employees joining the services after the date of notification by the respective State Governments
(d) All Central Government employees including those of Armed Forces joining the services on or after 1st April, 2004

Ans : (c) NPS (National Pension System) launched by Government of India is a defined contribution based Pension Scheme.
Eligibility: NPS is applicable to all new employees of Central Government Service (except armed Forces') and Central Autonomous Bodies joining Government Service on or after 1st January 2004.
NPS is applicable to all the employees of State Governments State Autonomous Bodies jointing
