Ans. (a) : Mission Indradhanush was launched by the Ministry of Health and Family welfare on 25th December, 2014. The objective is to ensure that all children under the age of two years, as well as pregnant women, are fully immunized with seven vaccine- preventable diseases. By 2020 provide vaccination to all children who are either unvaccinated or partially vaccinated against: Diptheria, Pertussis (whooping cough), Tetanus, Tuberculosis, Polio, Measles and Hepatitis B. The aim is to reach at least 90% vaccination. At present, the immunisation is around 65%.

40. With reference to 'Initiative for Nutritional Security through intensive Millets Promotion' which of the following statements is/are correct ? (Initiative for Nutritional Security through Intensive `Millets Promotion)'

1. This initiative aims to demonstrate the improved production and post-harvest technologies, and to demonstrate value addition techniques, in an integrated manner, with cluster approach.
2. Poor, small, marginal and tribal farmers have larger stake in this scheme.
3. An important objective of the scheme is to encourage farmers of commercial crops to shift to millet cultivation by offering them free kits of critical inputs of nutrients and micro-irrigation equipment.

Select the correct answer using the code given below

(a) 1 only (b) 2 and 3 only
(c) only 1 and 2 (d) 1, 2 and 3

Ans. (c) : The Initiative for Nutritional Security through Intensive Millets Promotion aims to demonstrate the improved production and post-harvest technologies in an integrated manner with a cluster approach. So, statement (1) is correct.

- Millets are mainly grown in the region of low annual rainfall and poor, arid soil. It is poor, small, marginal and tribal farmers, who cannot afford costly irrigation practices, depend on the cultivation of millets. Hence, these farmers benefit from the schemes and have a larger stake in this scheme. So, statement (2) is also correct.
- There is no such provision of encouraging farmers of commercial crops to shift to millet cultivation. So, (3) is not correct.

• Agriculture, Industry and Trade
