A model for evaluating the possible benefits and detriments of a proposed merger that could be used in the application of a discretionary competition policy. The model was developed by Oliver Williamson.

WINNER'S CURSE

The possibility that the winning bidder in an auction will pay too much for an asset since the highest bidder places a higher value on the asset than all other bidders.

WITHHOLDING TAX

A tax imposed on the income on a foreign portfolio (investments). This tax is imposed to discourage foreign investments, to encourage domestic investment, and to raise money for the government.

WORKER (CENSUS DEFINITION)

The *first* definition of 'worker' by *Census* was given in 1872. Over time the term 'work' and 'worker' as defined by ***Census of India*** have undergone several amendments to suit the changing dimensions of work. 'Work' is defined as participation in any *economically productive activity* with or without compensation, wages or profit. Such participation may be physical and/or mental in nature. Work involves not only actual work but also includes –

(i) Effective supervision and direction of work;

(ii) Part time help or unpaid work on farm, family enterprise or in any other economic activity; and

(iii) Cultivation or milk production even solely for domestic consumption.

Accordingly, as per Census of India, all persons engaged in 'work' defined as participation in any economically productive activity with or without
