54. ***MANAGE*** was established in 1987, as the *National Centre for Management of Agricultural Extension* at Hyderabad, by the Ministry of Agriculture, Government of India as an autonomous Institute, from which its acronym *‘MANAGE’* is derived. In recognition of its importance and expansion of activities all over the country, its status was elevated to that of a National Institute in 1992 and re-christened to its present name i.e., National Institute of Agricultural Extension Management.

    MANAGE is the Indian response to challenges of agricultural extension in a rapidly growing and diverse agriculture sector. The policies of liberalization and globalization of the economy and the level of agricultural technology becoming more sophisticated and complex, called for major initiatives towards reorientation and modernization of the agricultural extension system. Effective ways of managing the extension system needed to be evolved and extension
