It was approved by the government in October, 2011. The major objectives of the policy are:

- Enhancing the share of manufacturing in gross domestic product (GDP) to 25 per cent and creating an additional 100 million additional jobs over a decade or so.
- providing special focus to industries that are employment intensive, those producing capital goods, those having strategic significance, small and medium enterprises, and public sector enterprises besides industries where India enjoys a competitive advantage.
- Promotion of clusters and aggregation, especially through the creation of National Investment and Manufacturing Zones (NIMZs).
- Out of twelve NIMZs so far announced, eight are along the DMIC. Besides, four other NIMZs have been given in-principle approval –
  (i). Nagpur in Maharashtra,
  (ii). Tumkur in Karnataka,
  (iii). Chittoor district in Andhra Pradesh, and
  (iv). Medak district in Andhra Pradesh.

DMIC Project

The industrial development initiatives under DMIC (Delhi-Mumbai Industrial Corridor) [54] project presently cover *eight* industrial cities that are proposed to be developed along the railway corridor. The Master Planning for the investment regions and industrial areas taken up initially to be developed as *new cities* in Gujarat, Madhya Pradesh, Haryana, Rajasthan and Maharashtra have been completed and master planning in Uttar Pradesh has started. The State governments have initiated the process of obtaining land for the new industrial regions/areas as well as for the Early Bird Projects. For five industrial cities EIA (Environmental Impact Assessment) studies have been initiated.

FDI Policy

Following the policy reform process, the FDI policy is being progressively liberalized on an ongoing basis in order to allow FDI in more industries
