The e-Biz Project

The government has announced the setting up of – ***Invest India*** – a joint-venture company between the Department of Industrial Policy and Promotion and FICCI, as a *not-for-profit*, single window facilitator, for prospective overseas investors and to act as a structured mechanism to attract investment. In addition, the Government has initiated implementation of the e-Biz Project, a mission mode project under the NeGP (National e-Governance Plan) for promoting an *online single window* at the national level for business users. The objectives of setting up of the **e-Biz** portal are to provide a number of services to business users, covering the entire life cycle of their operation. The project aims at enhancing India's business competitiveness through a service oriented, event-driven **G2B** (Government to Business) interaction.
