the programme was to bring Aggregate Technical & Commercial (AT&C) losses below 15% in five years in urban and in high-density areas – the loss as percentage of turnover was reduced from 33% in 2000-01 to 16.60% in 2005-06.

The APDRP programme has been *restructured*. The Restructured APDRP (R-APDRP) was launched in July 2008 as a central sector scheme for the 11th Plan (in order that reliable and verifiable baseline data of revenue and enegry in APDRP Project areas is attained over an IT plateform and that AT& C loss reduction is achieved on a sustained basis).

**Development of Multifunctional Complex (MFC):** A new concept of development of MFCs with *budget hotels* was introduced in the *Rail Budget 2009-10,* so that important facilities may be available to rail users in a separate complex in the vicinity of the circulating area on station- a total of 198 stations have been identified by now.

In a major move to give further impetus to ***railways' modernization*** plans, an Expert Group has been constituted under the Chairmanship of Shri Sam Pitroda to recommend ways and means of meeting the challenges of economic growth, the aspirations of the common man, the needs of changing technology, and the expanding market, while at the same time ensuring adequate focus on addressing the social and strategic requirements of the country consistent with Indian Railways' national aspirations. The terms of reference of the Group involve outlining strategies for modernisation of Railways with focus on track, signalling, rolling stock, stations and terminals upgradation; using ICT for improving efficiency and safety; augmenting existing capacities of Railways through indigenous development; reviewing projects; and addressing PPP issues. The Expert Group is expected to submit its report by March 2012.

In order ***to attract private capital*** for accelerated construction of fixed rail infrastructure, GoI has formulated PPP investment models. A comprehensive draft policy is under the consideration which would replace the existing Railways Infrastructure for Industry Initiative (**R3i**) and Railways Policy for Connectivity to Coal and Iron Ore Mines (**R2CI**) policies for private investments in rail connectivity projects.

**National Highways Development Project (NHDP):** About 22 per cent of the total length of National Highways (NHs) is single lane/ intermediate
