automatic route is permitted for construction and maintenance of ports), around 96 per cent, private sector to fund most of the projects through PPP or on 'build operate transfer' (BOT) or 'build operate own transfer' (BOOT) basis.

(v) Private-sector participation will not only increase investment in the ports infrastructure, it is expected to improve operations of the ports through the induction of the latest technology and better management practices.

(vi) Public funds will be mainly deployed for common use infrastructure facilities like deepening of port channels, rail and road connectivity from ports to hinterland, etc.

Urban Infrastructure: Jawaharlal Nehru National Urban Renewal Mission (JNNURM) has been launched by the Ministry of Urban Development for a seven-year period (i.e. up to March 2012) to encourage cities to initiate steps to bring about improvements in a phased manner in existing civic service levels. The components under the sub-mission Urban Infrastructure and Governance (UIG) include urban renewal, water supply (including desalination plants), sanitation, sewerage and solid waste management, urban transport, development of heritage areas, and preservation of water bodies.

The UIDSSMT *(Urban Infrastructure Development Scheme for Small and Medium Towns)* is a ***sub-component*** of the JNNURM for development of infrastructure facilities in all towns and cities other than the 65 Mission cities covered under UIG (Urban Infrastructure and Governance) Sub-mission of the JNNURM. For obtaining assistance under the UIDSSMT, states and urban local bodies (ULBs) need to sign MoAs committing to implementation of the reforms.

Under the pilot scheme, *Urban Infrastructure Development in Satellite Towns around Seven Mega-Cities,* launched in 2011-12 to contribute towards amelioration of basic services in these towns. For the north-eastern region, the *North Eastern Region Urban Development Program* was launched in November, 2009 with Asian Development Bank (ADB) assistance. The project aims to assist the states of Tripura, Mizoram, Sikkim, Meghalaya, and Nagaland to address challenges of urban development in their capital cities.
