46. ***Reserve Bank of India,*** MoF, GoI, New Delhi, May 5, 2012.
47. **Basel III** norms prescribe a minimum regulatory capital of 10.5 per cent for banks by January 1, 2019. This includes a minimum of 6 per cent ***Tier I*** capital, plus a minimum of 2 per cent ***Tier II*** capital, and a 2.5 per cent capital conservation buffer. For this buffer, banks are expected to set aside profits made during good times so that it can be drawn upon during periods of stress.
48. The working group was set up in December 1997 under the chairmanship of Y. V. Reddy (the then Deputy Governor, RBI) which submitted its report in June 1998.
49. 'Other' deposits with RBI comprise mainly: (i) deposits of quasi-government; other financial institutions including primary dealers, (ii) balances in the accounts of foreign Central Banks and Governments, and (iii) accounts of international agencies such as the International Monetary Fund.
50. Y. V. Reddy, the RBI Governor, ***The Economic Times,*** N. Delhi, September 11, 2006.

53. As per the latest update by the ***RBI,*** May 11, 2012.
54. The part of 'Authorised Capital' (the limit upto which a company can issue shares) which has been actually 'paid' by the shareholders is known as the 'Paid-up Capital' of a company. [for detailed analysis of different kind of 'Capitals' of a company refer the *Chapter 14: Security Market in India*].
55. Though this sub-topic originally belongs to the *Chapter 14: Security Market in India*, it has been discussed here to make the new guidelines of setting-up banks an 'easy-to-understand' thing for the readers.
56. **Mutual Benefit Society** (also known *globally* as 'benefit society' or 'mutual aid society') is an organization, or voluntary association formed to provide *mutual aid*, *benefit*, or *insurance for relief* from common difficulties. Such organizations may be formally organized with charters and established customs, or may arise *ad hoc* to meet unique needs of a particular time and place. They may be organized around a shared ethnic background, religion, occupation, geographical region or other basis. Benefits may include money or assistance for sickness, retirement, education, birth of a baby, funeral and medical expenses, unemployment. Often benefit societies provide a social or educational framework for members and their families to support each other and contribute to the wider community.

    A benefit society may have some common features – members having equivalent opportunity in the organization; members having equivalent benefits; aid goes to needy (stronger helping the weaker); payment of benefits by collection of funds from the members; educating others about a group's interest; preserving cultural traditions; and mutual defence.

    Examples of benefit societies include *trade unions*, *self-help groups*, etc. It is believed that such societies predate human culture are found around the world.
