SECURITY MARKET IN INDIA

*Had there been no security market – undoubtedly, the most fascinating segment of the financial market – there won't have been the big MNCs and TNCs in the world. Once the world moved towards the process of globalisation, the potential of this market has increased exponentially – its capacity of resource mobilisation is just naybody's guess!**

- Definition
- Primary and Secondary Markets
- Stock Exchange
- SEBI
- Important Terms of Stock Market
- Foreign Financial Invesotors
- Angel Investor
- QFIS Scheme
- Participatory Notes (PNs)
- Short Selling
