Mantri Swasthya Suraksha Yojana (PMSSY), upgradation/strengthening of state government medical colleges, development of paramedical services and the Programmes of AYUSH. The details of major programmes are as follows:

NRHM (National Rural Health Mission)

The NRHM launched in 2005 aims to improve accessibility to quality health care for the rural population, bridge gaps in health care, facilitate decentralised planning in the health sector and bring about inter-sectoral convergence. The NRHM provided an overarching umbrella to the existing health and family welfare programmes including Reproductive and Child Health (RCH-II) and various programmes for control of diseases, including tuberculosis, leprosy, vector-borne diseases and blindness. The effort is to integrate all vertical programmes. All the programmes have now been brought under the District Health Society at district level and State Health Society at state level. Some of the weaknesses identified in the health delivery system in the public sector are poor upkeep and maintenance and high absenteeism of manpower in rural areas. The NRHM seeks to strengthen the public health delivery system at all levels.

Reproductive and Child Health (RCH)

The RCH Programme was launched in 1997-98 as a separate entity up to the year 2004-05 as a part of the Family Welfare Programme and was brought under the ambit of the NRHM during the Eleventh Plan. It has components such as pulse polio immunisation and routine immunisation for protection of children from life threatening conditions that are preventable such as tuberculosis, diphtheria, pertussis, tetanus, polio, and measles.

Janani Suraksha Yojana (JSY)

The JSY was launched with focus on demand promotion for institutional deliveries in states and regions where these are low. It integrates cash assistance with delivery and post-delivery care. It targets lowering of MMR by ensuring that deliveries are conducted by skilled birth attendants. The JSY scheme has shown rapid growth in the last three years, with 90.37 lakh beneficiaries in 2008-09 to 106.96 lakh beneficiaries in 2010-11. The issues of governance, transparency, and grievance redressal mechanisms are now the thrust areas for the JSY.
