from the more competitive export prices. Recently concluded quarter has seen a very high export growth rate in India.

The normalcy in the demand of dollar and cooling down of the rupee is intertwined with the financial health of the crisis-ridden European economies. A strong intervention by the major European economies has every chance of rejuvenating the economy and arresting the slide of the rupee.

Q. 33 Write a contemporary note on the importance and the role played by the WIPO.

Ans. The World Intellectual Property Organisation (WIPO) is a specialised agency of the United Nations. It is dedicated to developing a balanced and accessible international intellectual property (IP) system, which rewards creativity, stimulates innovation and contributes to economic development while safeguarding the public interest. WIPO was established by the WIPO Convention in 1967 with a mandate from its Member States (today it is 184) to promote the protection of IP throughout the world through cooperation among states and in collaboration with other international organisations. Its headquarters are in Geneva, Switzerland and its present Director General is Francis Gurry.

Strategic Goals

WIPO's revised and expanded strategic goals are part of a comprehensive process of strategic realignment taking place within the Organisation. These new goals will enable WIPO to fulfill its mandate more effectively in response to a rapidly evolving external environment, and to the urgent challenges for intellectual property in the 21st Century. The nine Strategic Goals were adopted by Member States in 2008-09 which are:

(i) Balanced Evolution of the International Normative Framework for IP.

(ii) Provision of Premier Global IP Services.

(iii) Facilitating the Use of IP for Development.

(iv) Coordination and Development of Global IP Infrastructure.
