The Duty Drawback Scheme (DDS) is provided by the Government of India as a part of export incentives to make exports competitive. Exporters get refund of the central excise (censat) and custom duties on the inputs they use in manufacturing the exportables. Those who are covered by the Duty Entitlement Passbook Scheme (DEPS) are not covered by it. The rates are announced from time to time.

DUTY ENTITLEMENT PASSBOOK SCHEME

The Duty Entitlement Passbook Scheme (DEPS) is an export incentive scheme of the GoI under which exporters get credit (pre-determined by the Direcor General of Foreign Trade) on the export value which they use in future imports thus neutralising all the taxes. No cash is given (unlike the Duty Drawback Scheme). It has been abolished by the GoI w.e.f. October 1, 2011 after using it for 14 years – the WTO provisions do not allow member countries to carry such schemes.

e-BUSINESS

Using computers and the Internet to link both the *internal* operations (i.e., transactions and communications between the various departments/divisions of the business firm) and its *external* operations (i.e., all its dealings with the suppliers, customers, etc.).

e-COMMERCE

Method of buying and selling goods and services over the Internet – a kind of direct marketing i.e. without the help of any middle arrangement of sales.
