Statistical significance means that the probability of getting the result by chance is low. It is most commonly used measure is that there must be a 95 per cent chance that the result is right and only 1-in-20 chance of the result occurring randomly.

NUMERAIRE

A monetary unit which is used as the basis for denominating international exchanges in a product and financial settlements on a common basis. For example, the US dollar being used as the numeraire of international oil trade, the Special Drawing Rights (SDRs) as the numeraire of the IMF transactions, etc.

NVS

Non Voting Shares (NVS) are the equity shares not having right to vote at the general meetings of the company. But these shares get higher dividend than the shares having voting rights. A company in India may issue such shares maximum to the 25 per cent of the total issued share capital and such shares cannot get more than 20 per cent higher dividend than the shares with voting rights.

OIL BONDS

Over the last few months there have been many reports on India state-owned oil refining companies like IOC, BPCL, and HPCL reeling under the impact of the rise in crude oil prices. These companies have been hit as they are unable to pass on the rise in price to the consumer due to heavy subsidies on some products. With the oil companies being heavily impacted in the first quarter of this financial year, the government has finally agreed to a package, which proposes issuance of special oil bonds.
