RESIDUAL UNEMPLOYMENT

Unemployment of those who remained unemployed even in the times of full employment (as for example employing a severely handicapped person may far outweigh the productivity obtained from him).

REVERSE MORTGAGE

A scheme for senior citizens in India announced in the Union Budget 2007–08. Under this scheme, the senior citizens go to mortgage their house owned by them in reverse to a bank and the bank pays them the agreed money either in installments or lumpsum. Guidelines for reverse mortgage announced by the National Housing Bank (NHB) in May 2007 has a provision of maximum period of 15 years for such mortgage. Once the period of mortgage is complete either the house should be vacated or the bank will sell the house at the market price and the loan of the bank will be settled. If the value of the house is more than the loan, the difference is paid to the senior citizens or their heirs. If the heir wants to possess the house, he/she needs to pay the loan.

REVERSE YIELD GAP

An excess of returns on gilt-edged (government) securities above those on equities. This occurs during periods of high inflation because equities provide capital gains to compensate inflation while the gilt-edged securities do not.
