# About the Author

Yuval Noah Harari is a historian, philosopher and the global bestselling author of *Sapiens*; *Homo Deus*; *21 Lessons for the 21st Century*; the graphic adaptation series *Sapiens: A Graphic History*; and *Unstoppable Us*, his first series for children. His books have sold more than 45 million copies in 65 languages. He co-founded Sapienship – an international social-impact company focused on education and storytelling – with his husband, Itzik Yahav. Harari has a PhD from the University of Oxford and is currently a history professor at the Hebrew University of Jerusalem and a distinguished research fellow at the University of Cambridge's Centre for the Study of Existential Risk.
