6.2.1 Creating a Lambda function

The following step-by-step instructions guide you through setting up a website health check based on AWS Lambda. Open AWS Lambda in the Management Console: https://console.aws.amazon.com/lambda/home. Click Create a Function to start the Lambda function wizard, as shown in figure 6.3.

Figure 6.3 Welcome screen: Ready to create your first Lambda function

AWS provides blueprints for various use cases, including the code and the Lambda function configuration. We will use one of these blueprints to create a website health check. Select Use a Blueprint, and search for canary. Next, choose the lambda-canary blueprint. Figure 6.4 illustrates the details.
