

SOLDIER

A VISUAL HISTORY OF THE FIGHTING MAN

From the Ancient Greek hoplite through the Medieval knight to today's special forces, this powerful book relates the drama of warfare from the perspective of the people who have taken part – behind the lines and amid the visceral experience of battle.

With revealing accounts of a soldier's training, tactics and combat techniques, and detailed photographs of uniforms, weapons and personal effects, **Soldier** is a remarkable visual chronicle of the reality of what it is to be a warrior.

"IT'S THE SOLDIERS WHO WIN THE WAR, WHILE THE GENERALS TAKE THE CREDIT."

– NAPOLEON BONAPARTE

We're trying to be cleaner and greener:

- we recycle waste and switch things off
- we use paper from responsibly managed forests whenever possible
- we ask our printers to actively reduce water and energy consumption
- we check out our suppliers' working conditions – they never use child labour
