and Public Sector Insurance Companies, on rights basis so as to ensure 51 per cent ownership of the Government in those CPSEs/PSBs/Insurance Companies, is not diluted.

b. Preferential allotment of shares of the CPSE to promoters as per SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 so that government share holding does not go down below 51per cent in all cases where the CPSE is going to raise fresh equity to meet its Capex programme.

c. Recapitalisation of public sector banks and public sector insurance companies.

d. Investment by Government in RRBs/IIFCL/NABARD/Exim Bank.

e. Equity infusion in various Metro projects.

f. Investment in Bhartiya Nabhikiya Vidyut Nigam Limited and Uranium Corporation of India Ltd.

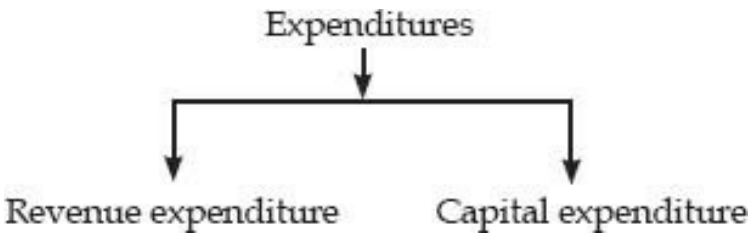

g. Investment in Indian Railways towards capital expenditure.

The allocations out of the NIF will be decided in the Government budget. [3]

Expenditures

The public expenditure can be classified as shown in the figure 5.4.
