The uncalled portion of money is called **Reserve capital.**

Once the issuer allots shares and shares are transferred to subscribers, the role of Secondary market comes in. Further selling and buying of these shares takes place in Secondary market. Before looking into Secondary market, let us continue with Primary market.

Other Issues

The issues that are not issued to public and issued to a closed group of people can be classified as other issues.

Private Placement

Private placement means offering shares directly to the financial institutions, mutual funds and high worth investors.

Private placements are made to Qualified Institutional Buyers (QIB). **Qualified institutional buyers** are those who are deemed financially sophisticated and are recognised by the security market regulator to need less protection from issuers than most of the public investors. Institutions like Mutual funds, Financial Institutions (FIs), scheduled commercial banks, insurance companies, provident funds, pension funds, State Industrial Development Corporations, etc., fall under the definition of being a QIB.

Rights Issue

Rights issue refers to offer of security to the existing shareholders in the Follow on Public Offering (FPO). It flows to the existing shareholders as a matter of legal right. So, it is called Rights issue.

Bonus Issue

Bonus issue refers to offer of shares against distributable profit to existing shareholders. The shareholders' share in the profit is
