umbrella agreement. Other agreements are annex to this agreement. The latest agreement added to the annex is Trade Facilitation agreement.

2. Agreement on Agriculture (AoA)

Agreement on Agriculture calls for freeing agriculture trade. The commitments under this agreement are based on Special and Differential treatment. **Special and Differential treatment** means flexible and lesser commitment on the part of developing and less developed countries compared to developed countries in fulfilling the obligation under this agreement. This agreement also has special safeguard mechanism. **Special safeguard mechanism** means, the optionavailable to countries to impose additional duties on imported products when there is surge in imports or products are imported at lower price. The main components of this agreement are Market access, Domestic support or Domestic subsidies and Export subsidies.

Market Access

Market access provision calls for provision of access to imported agricultural goods in the member countries. There are two provisions. One is tariffication and tariff reduction and the another is minimum market access.

Tariffication means converting non tariff barriers into tariffs that ensures same level of protection. Tariff reduction calls for 36 per cent tariff reduction by developed countries over 6 years period and 24 per cent by developing countries over the period of 10 years. The least developed countries do not have any commitments.

Minimum access calls for at least a minimum of 5 per cent of imported agriculture products in domestic consumption by
